
SOFTware-Analyser for Industrial Stress (SOFT-AIS)

User Guide
Release 0.1.
March 2023

Arnold Paecklar, Tamás Szabolics, Thilo Pirling

Acknowledgments

SOFT-AIS was developed as part of the European Activity for Standardisation of Industrial residual STRESS characterization (EASI-STRESS) project which is funded by the EU-Programm H2020-NMBP-TO-IND-2018-2020.

If you use this program to do productive scientific research that leads to publication, we would appreciate if you acknowledge use of the program by citing the following paper in your publication:
